GOLDEN VISA PROGRAM

Greece is located in southeastern Europe, close to both Africa and Asia, with thousands of islands throughout the Aegean and Ionian seas.

Influential in ancient times, it's often called the cradle of Western civilization. Athens, its capital and largest city, retains landmarks including the 5th-century Before Christ Acropolis citadel with the Parthenon temple.

Greece is known for its beaches, from the black sands of Santorini to the party resorts of Mykonos, as well as for its particular delicious dishes and traditions that are a landmark to the entire world.

Greece is a member of both European Union and the United Nations; they have an excellent health care system and rank 14th out of 190 members by the World Health Organization.
