

PORTUGAL

GOLDEN VISA PROGRAM

Portugal is the oldest state on the Iberian Peninsula and one of the oldest in Europe, its territory having been continuously settled, invaded and fought over since prehistoric times. A member of the United Nations and the European Union, Portugal was also one of the founding members of the eurozone.

Famous in the world for its **3 F's: Fado** - their filigreed, delicate, yet powerful musical idiom, **Football** – with powerful presence in the world and **Fatima** – religious symbol of the country; Portugal has many more things to offer: its Mediterranean climate, Port wine, special dishes, golf courses, beautiful beaches and surfing, among others.

With its attractive location, the closest European country to United States and South America, 300 days of sunshine per year, high quality of life and being 4th safest country in the world – according to Global Peace Index Report, Portugal is one of the best choices for relocation and investment.
