## ENTREPRENEUR PERMANENT RESIDENCY PROGRAM

Canada is one of the world's most vibrant multi-cultural countries. It is currently the 10th largest economy in the world and ranked in the top three on the list of the world's best countries in 2019.

The country is home to iconic cities such as Montreal, Toronto and Vancouver, and hosts Ivy League-standard universities such as McGill.

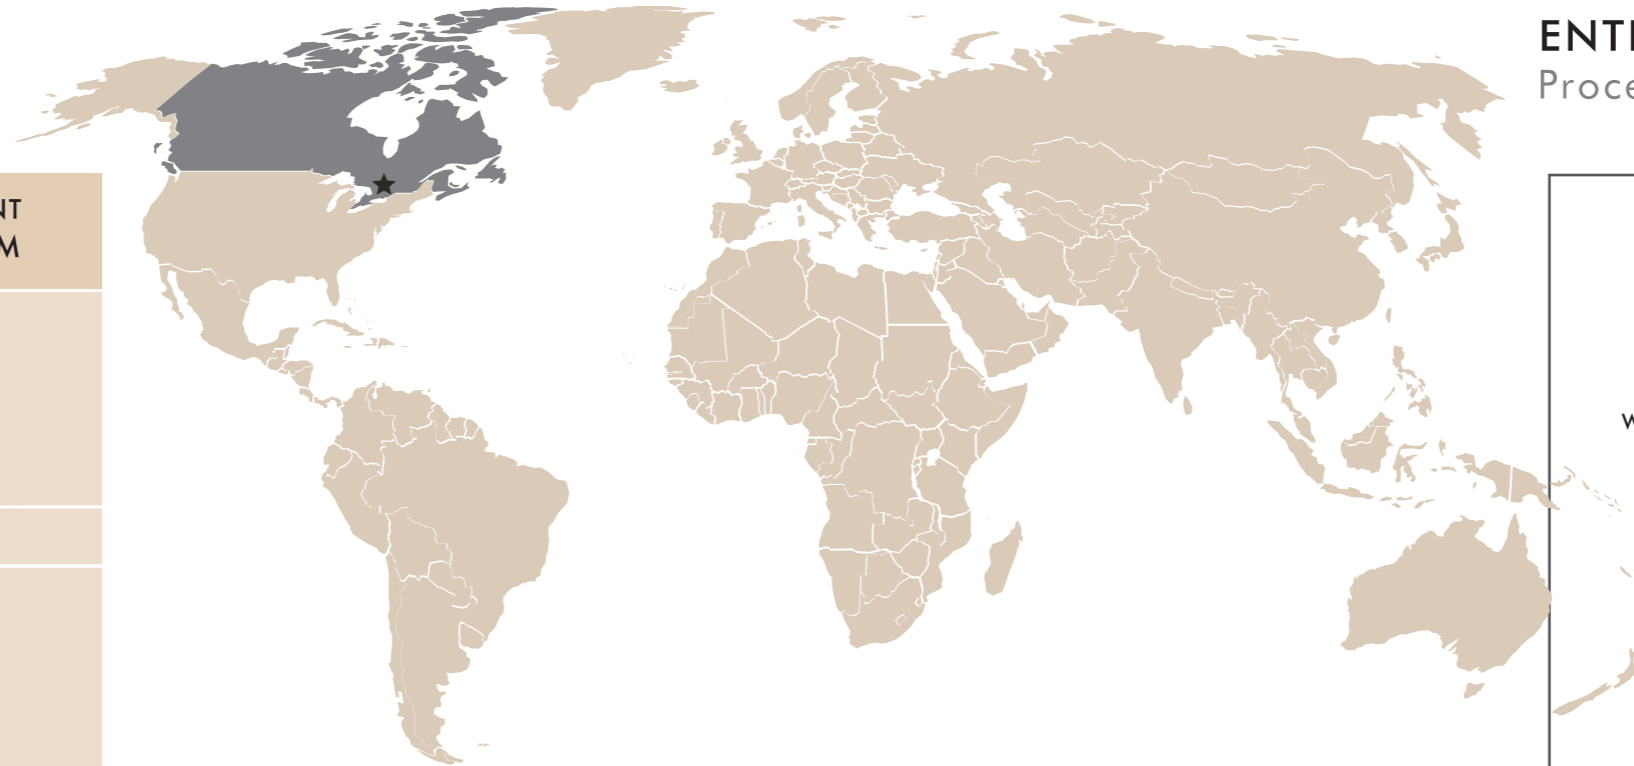

Canada's stability, multi-culturalism, social services and welcoming society make it one of the world's foremost destinations for relocation. It also offers an exclusive immigration by investment path that allows entrepreneurs to gain residency whilst establishing their own business.

Apart from economic and social dynamism, Canada's other benefits include child support, free education and free healthcare in most provinces.
